## Other Important Information

### Safeguarding

Promoting and safeguarding the welfare of children and young persons for whom you are responsible and with whom you come into contact is a critical part of all roles at Repton / Repton Prep.

Under the Sexual Offences Act 2003 it is a criminal offence for a person over 18 (e.g. teacher, matron, sports coach) to have a sexual relationship with a child under 18 where that person is in a position of trust in respect of that child, even if the relationship is consensual. This applies where the child is in full-time education and the person works in the same establishment as the child, even if s/he does not teach the child.

Moreover, whatever the age of the pupil, a sexual relationship between an employee and a pupil will be considered an abuse of a position of trust and gross misconduct, likely to result in dismissal.

### Health

The successful applicant will be required to complete a Health Declaration once a formal offer of employment has been made and accepted.

### Children Act and Referees

Successful appointment will be dependent upon statutory criminal conviction checks including an enhanced DBS Check in accordance with the Children Act, as well as favourable reports from two referees. It will be assumed that the School may contact your nominated referees without further reference to you, unless you specify any alternative arrangements.

### Child Protection Policy

All applicants must be familiar with our Child Protection Policy which can be found at [Repton School Policies | Policies | Repton School](#)
