Welcome From The Headmaster

Repton is a truly remarkable place in which to live and work. As one of the country's leading co-educational boarding and day schools, we combine a rich heritage with a bold sense of purpose, offering an education that is both academically rigorous and inspiringly broad. Our historic setting in the heart of Derbyshire is complemented by state-of-the-art facilities, a thriving community and an ethos that celebrates ambition, character and joy in learning.

At Repton School, the wellbeing of every pupil is central to our community. We are committed to ensuring that pupils feel safe, supported and cared for throughout their time at the School, enabling them to thrive academically, socially and personally. While we encourage pupils to embrace all that school life has to offer, we also recognise the importance of providing expert care, reassurance and guidance whenever challenges arise.

As a full boarding and day school, Repton offers a strong and highly integrated pastoral system, where the health, welfare and wellbeing of pupils are a shared responsibility. Pupils benefit from the support of House staff, tutors, matrons, nurses, counsellors and senior pastoral leaders who work together to provide exceptional care and oversight.

At the heart of this provision is the Health and Wellbeing Centres at both Repton and Repton Prep; a vital part of the School community. The Centre provides a welcoming, professional and confidential environment where pupils can access high-quality medical care and wellbeing support.

We are seeking an outstanding Lead School Nurse to lead this important provision. This residential role offers an exciting opportunity to play a key part in the pastoral life of one of the UK's leading independent boarding schools, ensuring that pupils receive the highest standards of healthcare, support and wellbeing throughout their time at Repton.

Our community is grounded in shared endeavour and a commitment to the holistic development of young people. We look for colleagues who bring energy, expertise and a belief in the potential of every pupil. In return, we offer exceptional facilities, a supportive and collegiate staff body, and the chance to make a meaningful contribution to a school that is ambitious, outward-looking and deeply proud of its heritage.

From pioneering pastoral care to nurturing excellence across academic, sporting and creative domains, Repton is a community that thrives on shared endeavour and the belief that education should be both rigorous and joyful.

I very much hope that you will read this document with interest, and I warmly encourage you to apply.

Mark Semmence
Headmaster

An Introduction To Repton

Repton is a school rooted in heritage and shaped by ambition. Founded in 1557 by Sir John Port of Etwall, the School stands on the site of a 7th-century Anglo-Saxon Benedictine abbey and, later, a 12th-century Augustinian priory. The ancient village of Repton, once the capital of the Kingdom of Mercia, has been a centre of learning for over a thousand years, and continues to inspire a rich educational tradition.

Today, many of the School's original buildings remain central to daily life. The Guest Chamber, Prior's Lodging, Overton's Tower, Tithe Barn and the iconic Arch - all part of the original monastic estate - provide a distinctive architectural setting that blends seamlessly with state-of-the-art modern facilities. The Arch, once the gatehouse to the Priory, now stands as a symbol of welcome and integrity, echoed in the School's motto: *porta vacat culpa* - "the gate is free from blame."

Repton educates over one thousand pupils across its Prep and Senior Schools. It is a school large enough to achieve excellence in every sphere (academic, pastoral, sporting and creative) yet small enough to ensure every pupil is known, nurtured and given the opportunity to flourish. At Repton, all pupils - whether day or boarding - belong to one of ten Houses (six for boys, four for girls), each providing a strong sense of identity, belonging, and pastoral care.

Academic standards are high and creative activities, including music, art, drama and design, flourish. The School has a national profile in sport, particularly in football, hockey, cricket and swimming. Our pupils thrive both in and out of the classroom and they develop the skills, qualities and values that will lead to a successful life.

We were delighted that the most recent ISI inspection (March 2024) found Repton to have met *all* standards, and highlighted sport as a significant strength of the school. The inspectors praised the inclusive, expert-led provision and its contribution to pupils' physical and personal development, noting that our approach cultivates "self-confidence, self-esteem and resilience to prepare them well for later life." The ISI inspection praised the School's "knowledgeable and skilled teachers" who deliver "carefully planned lessons that support and challenge pupils of all abilities." Inspectors noted that pupils are "thoroughly prepared for public examinations and achieve well," with teaching that actively encourages intellectual curiosity and independent thinking.

Whilst Repton is undoubtedly modern in terms of practice and outlook, the traditional values of encouraging pupils to aim high whilst showing respect for all are still of utmost importance. The School continues its strong educational vision, recognising the importance of being able to offer a Repton education to potential pupils from all backgrounds by providing scholarships and bursaries in a wide range of subjects.

Repton Prep, located on its own beautiful campus nearby, is an integral part of the Repton educational journey and a key member of the Repton Family of Schools. It shares our values, ambition and standards, and offers a seamless transition for many pupils into the Senior School. Alongside Repton Prep, the School has developed strong relationships with a growing number of other preparatory schools within the Repton Family of Schools, as well as with a wide range of leading feeder schools locally, regionally and internationally. These relationships are carefully cultivated and mutually valued, enriching our intake and creating opportunities for collaboration and shared development.

The Role

Job Purpose

- The Lead School Nurse and Health and Wellbeing Centre Manager will be based across Repton School and Repton Prep, reporting to the Deputy Head (Pupil Wellbeing & Pastoral) and the Head of Repton Prep.
- Deliver and oversee high-quality, person-centered clinical care for a diverse paediatric and adolescent demographic, autonomously managing acute undifferentiated illness, complex chronic conditions, and emergency responses.
- Lead, mentor, and develop a multidisciplinary team of School Nurses and Health Care Assistants across multiple sites, fostering a culture of clinical excellence, psychological safety, and continuous professional growth.
- This is a full-time, term-time role, with additional weeks as required, and attracts a competitive salary commensurate with experience.
- As this is a role that may offer housing where available, on-site accommodation may be provided by the School on the Repton Senior site. Where provided, the accommodation would be in the heart of Repton village and would form a part of the remuneration package provided by the School.
- The Lead School Nurse and Health and Wellbeing Centre Manager is responsible for the strategic leadership, management and development of healthcare provision across Repton School and Repton Prep.
- The postholder will lead the delivery of safe, effective and compliant healthcare services, ensuring high standards of clinical practice, safeguarding, medication management, healthcare planning and policy compliance throughout the Foundation.
- Working closely with pastoral leaders, safeguarding staff, boarding teams, parents and external healthcare professionals, the Lead School Nurse will contribute significantly to pupil welfare, wellbeing and safeguarding.
- The role combines clinical leadership with operational management and governance responsibilities and will ensure that healthcare provision supports the School's wider pastoral and educational objectives.
- The Lead School Nurse will take responsibility for key policies linked to the health and wellbeing of pupils, including Care of Boarders, Administration of Medicines, Allergy Management, Medical, Dental and Eye Care and First Aid
- One term's notice applies.

Current Matron

Our Commitment to Safeguarding

In accordance with the Children Act any appointment to the Repton staff is conditional on criminal records clearance and the successful candidate will be required to supply the necessary information and documentary evidence. References will be obtained on all candidates called for interview and applicants should be aware that the interview will contain questions relating to the candidates' suitability to working in a post involving children.

The School is committed to safeguarding and promoting the welfare of children and young people and expects all staff and volunteers to share this commitment, therefore the following shall be deemed to be included, in addition to the duties that you may be required to perform:

- ***Promoting and safeguarding the welfare of children and young persons for whom you are responsible and with whom you come into contact.***
 - Under the Sexual Offences Act 2003 it is a criminal offence for a person over 18 (e.g. teacher, matron, sports coach) to have a sexual relationship with a child under 18 where that person is in a position of trust in respect of that child, even if the relationship is consensual.
 - This applies where the child is in full-time education and the person works in the same establishment as the child, even if s/he does not teach the child. Moreover, whatever the age of the pupil, a sexual relationship between an employee and a pupil will be considered an abuse of a position of trust and gross misconduct, likely to result in dismissal.
