From the Headmaster

Repton is a wonderful and inspiring place to work: one of the UK's foremost co-educational boarding and day schools, located in the heart of the English countryside, yet within easy reach of major cities; strengthened by a history that goes back over a thousand years, yet with a keen eye on the challenges of the twenty first century.

In the March 2020 Inspection, Repton was deemed to be 'Excellent' in both Achievement and Personal Development, confirming our commitment to an ambitious and holistic education. Reptonians are taught in enviably equipped classrooms which are linked through cutting-edge technology and creative teaching and learning. Repton prides itself on individual achievement born of the community confidence of the boarding house system. To be a member of staff at our school is to have a privileged opportunity to develop intellectually curious young minds as part of a friendly, hard-working and supportive Common Room.

A major programme of investment and expansion has been completed across both Repton and Repton Prep in recent years, and Repton International now has schools in Dubai (2), Abu Dhabi (2), China, Malaysia and Cairo with plans to open a further four over the next few years

We are looking for a Teacher of History and Politics who can inspire the pupils of the department with energy and vigour, aiming for excellence and promoting the subject at all levels.

We are a school with ambition and purpose, eager to employ and reward teachers who share our values and aims. Accommodation will be provided, and with a commitment to invest in the professional development of our staff, a generous fee-remission scheme and continued participation in the Teachers' Pension Scheme, Repton is a very attractive place to work.

I hope very much that you will read this document with interest, and I encourage you to apply.

Mr Mark Semmence
Headmaster

An Introduction to Repton School

Repton is the ancient capital of Mercia, and the School, founded in 1557 from a bequest from Sir John Port of Etwall, was established on the site of a 7th century Anglo-Saxon Benedictine abbey and latterly a 12th century Augustinian priory.

The School today incorporates many of the original buildings from the estate, namely, the Guest Chamber and Prior's Lodging (which as the Old Priory currently houses the School Library and Common Room), Overton's Tower, Tithe Barn, and the Arch. The latter is all that now remains of the Priory's original gatehouse, and which helped inspire the School's motto: *porta vacat culpa*.

Today Repton is a world class, modern, flourishing community with a clear sense of purpose and momentum. As a pre-eminent co-educational and boarding and day school, Repton provides an exceptional broad-based education, blending heritage with the pursuit of excellence in a 21st century context, offering world class facilities as well as high quality teaching and pastoral care.

The School has over one thousand pupils across the Prep and Senior School, making it large enough to achieve excellence in and out of the classroom, yet small enough for individuals to grow and flourish. At Repton Senior, each pupil, whether day or boarding, is a member of a House, of which there are 10 (six for boys and four for girls).

Academic standards are high and creative activities, including music, art, drama and design, flourish. The School has a national profile in sport, in particular in football, hockey and swimming. Our pupils thrive both in and out of the classroom and they develop the skills, qualities and values that will lead to a successful life.

Whilst Repton is undoubtedly modern in terms of practice and outlook, the traditional values of encouraging pupils to aim high whilst showing respect for all are still of utmost importance. The School continues its strong educational vision, recognising the importance of being able to offer a Repton education to potential pupils from all backgrounds by providing scholarships and bursaries in a wide range of subjects. The School's considerable strengths were recognised in the 2020 ISI Inspection which found Repton to be 'Excellent' in each of the areas examined. The inspectors judged that Repton pupils 'achieve highly and make excellent progress across the wide range of academic and extra-curricular opportunities available to them'. The School was found to have met all the requirements of the ISI Regulatory Compliance Inspection.

Repton and Repton Prep have always enjoyed a very close relationship and in 2020, the schools became a through-school with the aim of securing the very best pupil outcomes. Vicky Harding, the Head of Repton Prep reports to Mark Semmence as Headmaster of Repton and Chief Executive of both schools.

A Global Family of Schools

Repton was one of the first British schools to establish overseas schools with the establishment of Repton School Dubai in 2007, and the development of a community of international schools is key to Repton's future vision. Currently, Repton has schools in Dubai (2), Abu Dhabi (2), China, Malaysia and Cairo with plans to open a further four more over the next few years.

The additional income generated by our overseas schools provides financial support and will enable Repton to select pupils simply on merit and without regard to their parents' financial means. The Headmaster and Senior Management Team play a key role in helping to shape the development of Repton as a leading, global educational brand.

Repton also currently has three schools in the UK (Repton, Repton Prep and St Wystan's) with the ambition to grow its UK family of schools.

The History and Politics Department

The History and Politics Department is a flourishing part of Repton School, popular with pupils and consistently achieving excellent examination results. History is compulsory in year 9 and approximately half of the year group opt for the subject in year 10. History is also one of the most popular subjects at A level, with around 40 pupils taking it, while Politics is equally popular, with a similar number studying the subject at in the Sixth Form. The successful candidate would be expected to teach all year groups as well as being able to prepare candidates for Oxbridge and university entrance.

In History, pupils follow the Pearson Edexcel IGCSE specification in years 10 and 11. The A level syllabus covers the American Revolution, 1740-96, Civil Rights in America, 1865-1992 and British twentieth century history, 1930-97, and follows the OCR specification. In Politics the curriculum follows the Pearson Edexcel A level course, covering British and American politics as well as political ideologies. Exam results for both History and Politics have been excellent and in 2022, 23% of cohort achieved an A* at A level in History, 73% A*/A and 91% A*-B. In Politics, 34% of pupils gained an A* at A level, 56% A*/A and 83% A*-B. There is also a vibrant academic society, which meets regularly, and the department organises educational trips, visiting the battlefields of the First World War with junior pupils and travelling to America to support sixth form study.

The Department comprises a strong team of specialists who work closely together on the development of the curriculum and assessment. We seek to generate a supportive atmosphere which respects and fosters professional autonomy, and which is conducive to the sharing of good practice and the nurturing of creativity. The successful candidate will be an outstanding teacher who has the pupils' development and their eventual examination results at the forefront of their mind. This is a department that loves its subject, and we would expect that any prospective colleague will transmit this to our students and be keen to support all types of departmental work.

Key Areas of Responsibility

Repton has a tradition of academic excellence and ambitious plans for further progress under our Deputy Head Academic, Ashley Currie. The successful application will teach History and Politics at one of the UK's leading co-educational boarding schools at an exciting time of rapid growth and development.

The successful candidate will work alongside supportive and enthusiastic colleagues.

The focus of this job is to deliver first-rate teaching, have an enjoyment of the subject and to facilitate excellent pupil results. In addition, the successful candidate will maintain their own professional development and subject knowledge, reflecting on their classroom and schoolwide experiences in a critical and analytical manner.

Repton works on a full boarding ethos to which all full-time staff are expected to make an enthusiastic commitment, enhancing the pupil experience not just in the classroom but through regular involvement in a range of sporting and extra-curricular activities, including duty rotas, provision and supervision of social and academic pupil events and trips and tours during holiday periods. Expertise in a particular sport or activity would be an advantage, but a willingness to learn and contribute is essential.

The ten boarding houses (four girl's houses and six boy's houses), into which day pupils are fully integrated, are at the heart of a superb pastoral system.

Teaching staff are expected to contribute to maintaining and developing the wellbeing of the pupils primarily through the role of the tutor. The successful candidate will be attached to a boarding house and will do an evening duty one night a week and, as a tutor in that house, be responsible for the personal and academic welfare of a house year group or a group of sixth formers in concert with the Housemaster or Housemistress. The ability to be a residential tutor, working closely with the Housemaster or Housemistress and living within the boarding house community, would be an advantage. We are looking for talented staff of character, intellect and energy who will model the qualities we seek to inculcate in our pupil body.

The School may provide accommodation in connection with this position.

Full-time teachers also benefit from:

- Participation in the Teachers' Pension Scheme
- An attractive fee-remission scheme

In its buildings and grounds, Repton combines the old and the new. The heart of the School is a beautiful 12th century Augustinian Priory, but following a major period of investment, the School has outstanding new and refurbished facilities in most teaching areas, most notably in the Science Priory, the School Theatre and a new Mathematics and PE Block.

A new Sports Centre including two full sports halls, a gym, a strength and conditioning suite, swimming pool, hospitality and reception suites and a café, was opened in November 2019.

Teachers work in well-equipped, spacious classrooms. All teachers are tutors in boarding houses and contribute to the extracurricular life of the School. This helps to develop the collegiate and purposeful atmosphere which is valued so much by staff at Repton.

The School is committed to the professional development of its staff so that they can continue to grow as teachers and educators and invests significantly in this.

Repton itself is a thriving village with a fascinating past. Situated in the Trent valley between Derby and Burton on Trent, on one side of the village is the Old Trent, the remnants of the former course of the river, and on the other three is attractive rolling farmland. The village has a vibrant community with clubs, societies, shops, pubs and other attractive amenities. It is close to the cities of Derby and Nottingham and major transport routes, and much of the wonderful Peak District National Park lies within Derbyshire itself.
